Name

Voice Broadcast, 2/7/17 3:01 PM

Labels

Caller ID

Choose One Add New

This is the number that people see when you place a phone call to them. To verify that you are the owner of the caller ID, we place a quick call to that number before you can use it.

Restrictions

Max Simultaneous Calls

Enter the maximum number of calls that you want CallFire to dial at once.

100

Automatic Retry

If enabled, the system will retry contacts based on the call results selected.

Answering Machine Busy No Answer

Try each contact 1 times and wait 60 minutes between tries

Timezone Restrictions

Local Time Dialing Restrictions

The campaign will not dial outside of these hours, based on the timezone associated with the contact's area code and prefix.

8:00 AM to 9:00 PM

Compliance

The FTC Telemarketing Sales Rule protects consumers as well as businesses. Promoting the purchase of a good or service, or soliciting charitable contributions, must comply with the Telemarketing Sales Rule. Using CallFire's services in contravention of the Telemarketing Sales Rule will result in immediate termination of service.

If you have further questions, please contact our Customer Success Team at 1-877-897-3473.

I acknowledge that I have received this notice, and the order that requires it.
